## Welcome to Jobsbuster.com

For over forty years The Asian Media & Marketing Group newspapers and websites have published more job vacancies for the Asian communities than any other medium in Britain.

Our newspaper Eastern Eye, together with our websites will be the powerful engine behind Jobsbuster.com, ensuring we get to the heart of the communities that we serve.

Jobsbuster is all about jobs. Jobseekers can search for jobs and check out the profiles of organisations they may want to work for in the Diverse Employers Guide. There is help available from our Recruiter Services for advertisers and employers who want to use our services. As well as searching for all current job vacancies, find out where the latest job exhibitions are taking place.

By presenting your organisation's profile and diversity policies within the Diverse Employers Guide you will become accessible to people from all communities and recognized as an organization committed to diversity and equal opportunities.
